

HyFlex®

ADVANCED MECHANICAL PROTECTION

11-728

Dexterity with superb cut resistance for optimal productivity

Cut

Medium Duty

Dexterity with superb cut resistance for optimal productivity

- The HyFlex® 11-728 delivers a perfect balance of comfort and sure handling with superior cut resistance
- The liner offers good levels of cut resistance for safe use in controlling, handling and assembly applications involving contact with sharp pieces
- HyFlex® 11-728 is designed for use in dry as well as slightly oily environments

Industries

- Aerospace
- Automotive
- Construction
- Glass manufacturing
- Machinery and Equipment
- Maintenance
- Metal fabrication

Applications

- Assembling metal parts and components
- Assembly of white goods
- Glass repair and replacement
- Press injection molding

Key Features

- Offering good levels of cut resistance
- PU Coating provides excellent grip
- HPPE liner offering worker excellent comfort

Performance Standards & Regulatory Compliance

REACH Compliant
