

Heatherton

9643A2TV4

Flame retardant, anti-static hi-vis softshell with detachable sleeves

The Heatherton is a 3-layer hi-vis softshell with flame retardant and anti-static properties. The light material has a water-repellent outer fabric, is windproof and offers good cold protection. The softshell is equipped with one inset chest pocket, two inset pockets on the side, one inside pocket and a loop for a badge, and has been finished with reflective FR strips. The sleeves can be narrowed with touch and close fastening and if you get too hot, you can remove them.

Flame retardant, anti-static hi-vis softshell with detachable sleeves
